

2004 PAAP Science & Technology Entry Slip for Content Standard

Student Name: _____

Grade: _____

Step 1

Check **ALL** the Level(s) of Assistance referred to on the Task Descriptions for this Content Standard.

See 2003-04 PAAP Manual pages ____ & ____ for definitions and examples of types of assistance at each level.

Support ☐

The student is able to perform the task only in response to extensive cues, prompts, and/or supports specific to the task.

Prompting ☐

Prompts specific to the task on which the student is working, are provided through teacher elaboration and clarification.

Limited Prompting ☐

Prompts are not specific to the task on which the student is working. They take little time and are used to keep the student focused on the task, and encourage perseverance. Repeating the directions alone does not place the Level of Assistance here.

Independent ☐

The student performs the task without assistance.

Step 2

Circle the **ONE** Level of Assistance most used by the student to complete work for this Content Standard.
